31st October 2017

Tena Koutou Katoa - Greetings to all parents and caregivers

Pet Day

We had a wonderful morning on Wednesday. 97 Pets! Whew. It was wonderful to see so many pets and the big crowd of supporters. Thank you to everyone who supported their children in raising and looking after their various pets. I think it's a great thing for children to have a pet and the daily responsibility of looking after it. It teaches many life skills that we value.

Our thanks to all the wonderful judges and stewards who did such a thorough and difficult job. We appreciate the time you give to this important job.

The indoor exhibits were fantastic. The children had worked hard on all their designs which showed their imaginative skills and creativity. Thanks to our teachers also for all the extra work that goes in to preparing these exhibits for Pet Day. Results are included later in the newsletter.

Thanks also to our PTA for organising the cuppa and BBQ. Your support is much appreciated.

Country Kids Challenge

The House Teams had a great competition in the Country Kids Challenge. They completed a wide range of tasks which included, throwing a Frisbee in to a fadge, identifying animal breeds, putting rings on lamb's tails, shifting bales of hay, making a pen with a gate and sucking up water with a drench gun. Well done to Kauri house, which took out the win.

Cross Country

We are so proud of all the children! They all tried so hard both while training during the last 2 weeks and at the Cross Country event on Friday. Luckily the weather was on our side and the event ran without a hitch. Thanks to all the parents who came along to support the children.

Congratulations to the top five place-getters in each event:

Book Fair

The Book Fair has been a HUGE success. We have sold over \$2000 worth of books, which means the school gets: \$600 worth of free books, \$600 worth of credit and \$400 in cash for even more library books! Thank you so much for your amazing support. Our library will be more fantastic than ever.

Health Consultation

Every 2 years Boards of Trustees consult with their communities about the Health Curriculum being delivered at their school. Attached you will find a page inviting you to respond to how we deliver the Health Curriculum at Halcombe School.

Yummy Stickers

We are sending home the new Yummy Sticker sheet today. In the last year we have raised a massive \$600 for sports equipment through collecting these stickers. We hope we can match this over the following year. Thanks so much for your support.

1. Detach the sheet from the newsletter
2. Put the sheet on the fridge
3. Pull the stickers off the fruit and put them on the sheet
4. When the sheet is full, bring it to school.
5. So easy!

EOCT – Education Outside the Classroom

This term, every class will have a trip or camp away from school. This is part of our Education Outside the Classroom focus. Thank you to all of our teachers for going the extra mile to provide these wonderful learning opportunities for our children. These trips and camps create some wonderful memories for kids. Thanks to all the parents who will be involved in transport and supervision.

Sunhats

All children now need a sunhat at school each day. Sunhats must have an all-round wide brim with no under chin strings. Hats need to be named. Many children have a sunhat which they can leave at school. We have a 'no hat means no play' rule. If children don't have a hat they sit under the verandah in the shade.

Red Car

A small, older style red car was seen skidding and driving dangerously on the shingle roads around Halcombe on Sunday. If you have any information, please ring the school.

Kind regards

Sue Simpson
Principal

Coming up this November at the Feilding Little Theatre...

A comedy about a group of women (and a couple of token men) who do their very best to put on a top notch Murder Mystery play. Despite their best intentions ... nothing goes quite according to plan.

SYNOPSIS

It's the night before the reading of the late Sir Reginald Bishop's will and family members are gathering at Checkmate Manor, with the hopes of getting their greedy mitts on the Bishop's fortune. But as soon as they arrive, they all tend to wind up dead.

It's all a bit fishy, really.

Is a murderer lurking about the Bishop Manor?

Are there clues to be found on the chess board?

Who will survive the night?
