- The BOT has approved the plans for a 5m extension to the far end of Room 1.
- The school will soon have an EFTPOS machine in the office. We know this will make payments easier for many of you.
- Teachers have begun their professional development in the teaching of Writing and how to best help our students improve.
- School Policies and Guidelines for Finance and Property have been reviewed and updated.
- The BOT has determined that there are no spaces for out of zone enrolments in 2021.

Shout Out

Our sincere thanks to Dave and Bree Oldfield of CEAC (Central Engineering and Consultancy) for the work they have done to add a sleeve over one of the shade sail posts for our new Outdoor Classroom. Your support is much appreciated. CEAC on Tokorangi Road, provides general engineering services. Phone 328 8840 or 027 465 1580.

Calf Club/Pet Day

We are getting organised for Pet Day next term and would like to know of any families which will be entering a Kid (young goat!) in this year's competition. If you could let us know by Friday, that would be awesome. Thank you.

Children who have indicated that they might bring a calf to Pet Day, have been given information to help with preparation and safety around M. Bovis.

PTA Meeting

A reminder that the next PTA meeting is tomorrow evening at 7pm in the staffroom.

Assembly

This week, Room 5 will host assembly which starts at 2.30 on Friday. Assembly will finish a few minutes early so we can set up the Hall for the Disco.
