Term 4 Week 7

24th November 2020

Tena Koutou Katoa - Greetings to all parents and caregivers

Solar Power comes to Halcombe School

Great news! We have just heard that we have been successful with an application to the Sustainability Fund. 780 schools have applied during the year, with 94 successful schools. We have been granted one of the highest amounts of \$88 000, for solar panels and batteries. Yahoo! We can expect these to be installed over Rooms 6 – 8 in the new year.

Athletic Sprrts

The Athletic Sports will be held next Wednesday 2nd December, starting at 9am. It will look a little different this year. Check in with Facebook over the next couple of days to see what's happening.

Fun Sports Day

Next Friday 4th December, we will be having a FUN DAY FRIDAY to help celebrate the end of year. Children will take part in a whole lot of crazy activities and will need their togs and a named water pistol if they have one. More details next week.

Parent Appreciation

We would like to take this opportunity to thank all our whānau for your awesomeness over the past few weeks. You have contributed in so many ways, everything from providing delicious baking and cooking for camps, helping with transport to lots of different events, offering support on the touch sideline, coaching rippa rugby teams, making positive comments on Facebook, helping your children be ready for school, being generous with your donations, kind messages to staff... the list is endless. On behalf of all the staff, I would like to sincerely thank you for everything you do to make our school such a cool place.
