Term 2 Week 6

8th June 2021

Tena Koutou Katoa - Greetings to all parents and caregivers

Kia Ora Tatou,

I hope the long weekend found you doing some of those jobs you'd put on hold, and doing some great activities with your family. It always goes fast though, doesn't it?!

As we are now right in the grasp of winter we are experiencing some real sickness here at school. As you know, all schools are a great breeding ground for every bug under the sun. With the roll nearing 200, this makes it doubly so. All the lessons we learned during COVID are coming back to us fast: sanitizing our hands, washing hands and singing 'Happy Birthday', sneezing into elbows, etc, etc. Please reinforce these messages at home too, as we all need to build the habits to become as bug free as we can.

With this in mind, we are sending pupils home when there is a cold, bug, vomit, and aches and pains. This is good practice and we need to do this in order to break any cycles.

We do our best to make sure that children really are sick before ringing you to come and pick them up, and I know Paula does an excellent job of caring and treating our pupils too. We understand that this might make for some inconvenience with work or jobs you might be doing, but rest assured we do this for all the right reasons.

Have a great week,

Alastair & the H Team.
