

Quiz Night

Wowee! Our quiz night was awesome! Thank you to everyone who was able to contribute to this event - in all kinds of ways. Events like this really are a team effort, and we're certainly grateful to have immense support from our community. We're still processing payments and paying invoices, but hope to be able to let you know how much money we've made by the end of the week.

Vacancy: Caretaker/Cleaner Position

In November, our long-serving Caretaker & Cleaner, Alan Martin, will be retiring. We will make sure we farewell Alan properly in Term Four. However, this means we are now on the outlook for a new caretaker and cleaner. These positions do not come up very often and they require a person with a cheerful character, a hard-working attitude, and a lot of practical know-how. If you, or anyone you know might be interested in this position, please go to our website <https://www.halcombe.school.nz/staff-vacancies.html>, or ask at the office for more information.

Senior Technology

Our Y7-8 students have thoroughly enjoyed their Tech classes this year. They have learned so many new skills, and have made some really awesome things. Thank you to our clever teachers who have taught woodwork, cooking, clay, knitting and robotics - Gary, Maria, Fritha, Vanessa and Di. The students have two sessions left. Be sure to look out for displays of the students' work at Pet Day next term.

Dance Display and Winter Sports Prizegiving - Heads Up

On the final day of term, we'll be having a dance display followed by our winter sports prizegiving. Kick off is 1.45pm.

Feilding Saturday Morning Netball Prizegiving

A reminder this event is being held at North Street School this Saturday 14 September. Please see KIT Books for more information.

Touch Rugby

We are starting to think about our touch rugby teams for next term. Forms were sent home yesterday with anyone who was interested in playing. Check KIT Books for details. Forms and payment are due on Friday.

Sports Uniforms

All sports uniforms for all sports teams should now be returned. Netball. Hockey. Table tennis. Please get these back to school tomorrow. Our robotics team needs to keep their uniforms until after their final competition in December.

Crazy Day

Friday 13 September

COME TO SCHOOL IN ANYTHING BUT A CAR!

That's right folks, it's time to get creative. This is your chance to arrive at school in a helicopter, or on a horse, or in a wheelbarrow, or riding a motorbike, or in a police car or even in a boat!

We have heard some interesting stories about how the students are planning to arrive at school on Friday. Very exciting! If you are arriving at school in your normal car, please drop your children off in the carpark. BUT, if you are planning something cool, we'd like you to drop your children off outside the front of the school (Monteith Street), so everyone can get a great view. If you really are going to be arriving at school in a helicopter, please let us know. There are some things we'd need to get sorted for this to happen. If you are arriving in a vehicle that has a siren, please make sure there are no horses around before you let it rip.

DRESS UP CRAZY!

Find some crazy clothes and wear them to school.

Year 7-8 students, please be mindful of what you choose to wear - you have Tech.

AN ASSEMBLY NOT TO BE MISSED!

The staff will be presenting assembly on Crazy Day, and it is going to be awesome! See you there!
